NIBBI CONCRETE HIRES NEW DIVISION MANAGER, JEFF HARTMAN

SAN FRANCISCO, CA., MAY 7, 2012— San Francisco-based Nibbi Concrete, a division of Nibbi Brothers General Contractors, recently announced it hired a new Division Manager, Jeff Hartman.

“Jeff is a results-oriented leader with over 17 years of experience in the field,” said Nibbi President Robert Nibbi. “He is a problem solver and a decision maker who has the ability to work with others to make strategic plans. With extensive knowledge of the field, accompanied by his strong leadership skills, Jeff will be a great asset to Nibbi Concrete.”

Hartman will manage the overall supervision of Nibbi Concrete, including the oversight of all estimating, preconstruction, operations and field activities, as well as business development efforts.

Prior to joining the Nibbi Concrete team, Hartman served as the National Account Manager and Southwest Area Manager for Phoenix-based Doka, USA, Ltd., a producer and supplier of pre-fabricated formwork used in concrete pouring. He earned a Bachelor of Science in Mathematics with a Minor in Pre-Engineering from Simpson College, located in Des Moines.

###

Nibbi Concrete provides exceptional service by applying five inseparable goals to each project: 1) the best price; 2) the highest quality; 3) innovative and proven solutions; 4) greater efficiencies to drive schedule improvements; and 5) a safe work environment. We work with developer/builders, construction management firms and general contractors; and our project expertise includes mid-rise/high-rise buildings, podium decks, parking structures, retaining walls, detention/correction facilities, pier work and seismic retrofits. Nibbi Concrete can deliver projects under any project delivery method, including design/build, hard bid or negotiated.
